VISTA Program

Join the FIT VISTA Mentoring Program!

Current FIT VISTA Program Members:

- *Are you working on your "Life after VISTA" plans and looking for job opportunities?*
- *Do you want to expand your professional network?*
- *Do you need help editing your resume and marketing your VISTA experience?*

We love hearing about the great jobs our FIT VISTA alumni get after their service year! We want to make sure that our current and future members are able to do the same.

Your FIT VISTA Alumni mentor will work with you in the following ways:

- Email, call, or meet in-person to check in regarding their VISTA experience.
- Share successes, failures, and inspiration from service and other life experiences.
- Support mentees in their search for career and networking opportunities.

We hope that current FIT VISTA members will utilize the mentoring program as one of the many resources available to them throughout their service year. If you are interested in being matched with one of our Alumni, contact us at fitvista@fitnh.org for information on how to begin the process!
