

Become a FIT VISTA Alumni Mentor

We love hearing about the great jobs our FIT VISTA alumni get after their service year! We want to make sure that our current and future members are able to do the same.

With your help, as a FIT VISTA Alumni, current members can begin to develop their "Life after VISTA" goals, build their professional network, and look for great jobs!

How will Alumni mentors support their VISTA mentees?

- Assist mentee in their search for career and networking opportunities.
- Share successes, failures, and inspiration from service and other life experiences.
- Email, call, or meet in-person to check in with VISTA mentee.
- Assist mentee by reviewing and providing feedback on their resume.
- Ask questions to help mentees consider the opportunities available to them.

As an alumni mentor you will be expected to spend at least one hour per month directly supporting your mentee. However, you can make this opportunity your own, as long as you are supporting your mentee! *Sharing your knowledge and experience could have a huge impact on another VISTA.*
