Dear Parents and Students,

Today we begin our 1<sup>st</sup> Annual **{insert school name here}** Walk Against Hunger campaign to benefit Families in Transition. This year's Walk Against Hunger will be held on **{insert date here}**.

Families in Transition is a Manchester non-profit organization which provides affordable housing, food programs, integrated case management, emergency homelessness services, and substance use treatment. They operate 365 days a year and provide many services to those in need. Last year they served 15,767 individuals in their programs.

Students are asked to seek sponsors who will make a donation to Families in Transition in support of the students' effort to raise funds for this worthwhile organization. On our walk day, students will complete their commitment by **{insert your walk details here ie: walking around the perimeter of our building for one hour}** as a demonstration of their support for the compassionate work of Families in Transition.

Please help your child by suggesting individuals who may want to support this effort. There is no minimum amount a student needs to donate to participate. Sponsor sheets are available in every homeroom and on our school's website. A sponsor sheet is also printed on the back of this letter.

We encourage donations online **{insert your online link URL here}** and by check, as all donations are tax deductible. Any checks should be made out to Families in Transition. Their Federal Tax ID#:02-0475414.

Thank you in advance for your support of this important community service event!

Sincerely,

**{Principal or walk coordinator's name}**
